**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Sonic.com, my phone and internet provider, is cheap, fast, and provides the finest service I have ever had from any company. The large internet companies cost twice as much. and their service can honestly be described as bureaucratized incompetence and scorn.

It is not too much of an exaggeration to state that everybody hates the large ISPs. Please don't side with them.
